Max Schaefer

Co-Founder of Creation Brothers UG | Machine Learning/Deep Learning Engineer | Special interest in Computer Vision

Unna

Summary

Machine learning/deep learning engineer with special interest in computer vision. Actively participating in ML/DL competitions. Some of my latest results:

Top 2% (19/854) - On Cloud N - Cloud Cover Detection Challenge von Microsoft AI for Earth

Top 3% (23/713) – Mars Spectrometry: Detect Evidence for Past Habitability by NASA

Top 7% (20/296) – Deep Chimpact: Depth Estimation for Wildlife Conservation

Former IT Administrator with insights into the whole infrastructure of a medium-sized enterprise. I'm aware of the workflow a project needs and how to server it reliable. Furthermore, I experienced how difficult it gets to manage the IT infrastructure of over 600 employees. I listed my responsibilities in this field down below.

Experience

Creation Brothers UG

Co-Founder

April 2019 - Present (3 years 1 month)

Hamm, North Rhine-Westphalia, Germany

I built a print-on-demand online Shop und several affiliate-marketing sites. Had to wear a lot of hats. Responsibilities listed below:

- IT infrastructure (E-Mail, websites, hosting, DB, etc.)
- Product Manager & product Design
- Web Design, UI/UX, SEO (HTML, CSS, JavaScript, Shopify Backend)
- Media & Logo Design (Photoshop, Illustrator, Premiere Pro)
- Marketing (Influencer Marketing)
- Social media presence
- Customer support

EWH Holding GmbH & Co.KG

6 years 8 months
